

Shading the Future, Living the Present

Pergosystem®

The Project Issue

Our company stands out for its innovation in the shading industry, offering solutions that seamlessly blend functionality and aesthetics. Specializing in shading systems for retail, hospitality, and residential spaces, we craft pioneering designs that enhance the character of every environment.

Our series provide flexibility and adaptability, catering to a wide range of needs. Each of our shading system is more than just a practical tool; it's a creative proposition that elevates the aesthetic appeal of the space.

Our commitment to high quality and continuous evolution makes Alpha the preferred choice for distinctive architectural projects. Every shading system bearing our name highlights the character of the surroundings in a subtle and functional manner.

Shadows Lead The life

SILENT GUIDANCE

Honesty

Welcome to our company, where integrity and honesty form the cornerstone of our business philosophy. We understand that choosing the right pergola or awning is not just a transaction; it's a commitment to enhancing your outdoor living experience. In this spirit, we prioritize honesty as the bedrock of our customer relationships, ensuring transparency at every step of your journey with us.

For us, honesty is not just a policy; it's a commitment to building trust with our valued customers. As you embark on the journey of enhancing your outdoor space with our pergolas and awnings, rest assured that honesty will guide every interaction. Experience the difference of working with a company that values integrity, transparency, and your complete satisfaction. Trust us to bring your outdoor dreams to life with honesty as our guiding principle.

Our recent installation in a villa in Nafplio, Greece, showcases the pinnacle of outdoor design and functionality. Three bioclimatic pergolas, meticulously crafted to enhance the villa's charm, come alive with integrated LED lighting. As the sun sets, the atmosphere transforms, thanks to thoughtfully placed LED lights that illuminate the pergolas, casting a warm and inviting glow. Whether you seek a tranquil retreat or a vibrant entertainment space, these pergolas offer a harmonious blend of bioclimatic innovation and captivating lighting design. Elevate your outdoor lifestyle with a touch of brilliance.

In the heart of Nafplio, Greece, our team has completed a villa project that redefines the art of outdoor living. Three bioclimatic pergolas now grace the villa's exterior, offering more than just shade. Immerse yourself in a sensory experience as integrated LED lights seamlessly illuminate the pergolas, creating a captivating ambiance. Whether you're hosting an intimate gathering or enjoying a quiet evening, the adjustable louvers and mesmerizing LED lights cater to your every mood. Discover the perfect blend of form and function as we bring innovation and illumination to your outdoor oasis.

Collaboration

We believe in more than just creating exceptional pergolas and awnings; we believe in crafting outdoor dreams with you. Our commitment to collaboration sets us apart, as we recognize that your input and ideas are the driving force behind the extraordinary outdoor spaces we co-create. Join us on a journey where your vision becomes our inspiration, and together, we build outdoor sanctuaries that reflect your unique style and needs.

For us, collaboration is not just a step in the process; it's the heartbeat of our philosophy. By working together, we transform your outdoor dreams into tangible, breathtaking realities. Experience the difference of a company that values your ideas, understands your vision, and collaborates with you to create pergolas and awnings that stand as a testament to the power of shared creativity. Let's build something extraordinary together!
